

HOW TO ACCESS THE ABCD CLIENT LIST

April 2019 Update

The client list for April – June 2019 quarter will be available and downloaded in the Secure File Transfer (SFT) website by April 12th. Just a reminder that if you are having any issues logging into SFT (<https://sft.wa.gov/>) to please call the help desk at (360) 725-1111. If you do not have a username and password for the SFT site, please email me and I will send a ticket to have one created for you.

I have worked with our Data team and informed them of some of the issues we have had with the list back in October 2018. It seems that there was an issue in the algorithm used to pull this data that left out a lot of 0-1 year old children, this has been fixed and this age group will now be reflected in this quarter's list. I am also working with them to ensure that the client's Dental Managed Care plan will be included in the list effective June, we will be making the list available on a monthly basis to reflect any changes made by the client for several months (June, July, August, September, October).
